Consent of the People of the Province of Ba

I have the honor to inform you that as the representative institution of the Chiefs of Ba and the 107 villages that make up the Province of Ba, we would like to rally our support for the nomination of the **Cultural Mapping Programme (CMP)** as a candidature file by the State Party of Fiji for the Register of Best Practice Methodology under the UNESCO 2003 Convention for Safeguarding of the Intangible Cultural Heritage.

Being an oral based culture, we have witnessed the importance of the mapping programme as it allowed for the identification and recognition of unique intangible cultural heritage (ICH) of the people of Ba, documentation of these ICH which has helped greatly in the education of children in the Province to learn and know more about their cultural practices, cultural values and stories.

This also serves to provide free and prior informed consent for the nomination of the Cultural Mapping Programme as a nomination under the Register of Best Practice. Annexed is a list of the names of the different vanua or districts that make up the province.

Should this nomination is successfully selected by the Intergovernmental Committee for ICH; the Province of Ba will collaborate with the nominating institution and UNESCO in disseminating information regarding the best practice.
