Letter of Consent

[Redacted]

has recently been informed that the government of the IR of Afghanistan has embarked on inscription of Yaldâ/Chella as one of its ICH element that has passed to us from the ancient times. It is fortunate that Afghanistan is following the registration process as a multinational task with the IR of Iran.

[Redacted] is not only so delighted and to see such a valuable task to be undertaken but also it appreciates and supports this joint registration.

I, [Name], am a novelist and writer from the Pashtun ethnic group. Commemorating Yaldā/Chella as one of the ancient Aryan traditions is of paramount importance. This event represents the specific climate and geography of this great ancient civilization. Afghans pay studious attention to preservation and safeguarding their ancestors’ cultural heritage. Hence, I support registration of this cultural element that is pursued jointly by IR of Afghanistan and IR of Iran.
