Letter of Support Verbond der Jaartallen (Alliance of Age Sets)

The Leuven Age Set Ritual Repertoire

LETTER OF SUPPORT TO THE NOMINATION

I have the honour to inform you, that upon further examination within my agency,
The Alliance of Age Sets wishes to extend its full support to The Leuven Age Set Ritual Repertoire.

Being the overall organisation that unites, organises and controls all the Age Sets and oversees the ritual repertoire, it is a real honour and opportunity to help and make the Leuven Age Sets more widely known. Together with the city of Leuven and several local and global (cultural) partners, the Alliance stimulates and encourages the different Age Sets to take active part in today's social and cultural life, to create innovating contemporary activities, without losing their specific rituals and values, and to invest in new partnerships. Thus, the Alliance and the Age Sets all together contribute to the global discussion on intangible cultural heritage.
