We, members of the Centre for Traditional Culture—School Museum of Pusol Association (henceforth the Association), and collaborators of the ongoing heritage-based pedagogic project governed by the Association and the School Council -implemented at the School of Pusol since 1968-, hereby express our free and informed consent for the nomination of the Centre for Traditional Culture—School Museum of Pusol Pedagogic Project (henceforth the Pedagogic Project) for its selection and promotion as best reflecting the principles and objectives of the Convention for the Safeguarding of the Intangible Cultural Heritage, under the conditions established by article 18 of the Convention, and articles 43 to 58 of the Operational Directives regulating its implementation.

By signing this document, we are also expressing our willingness to cooperate with UNESCO's International Committee for the Safeguarding of Intangible Cultural Heritage in its efforts to disseminate best practices, if the aforesaid pedagogic project is selected for promotion.
