охране нематериального
культурного наследия

Мы, представители неправительственной организации Общественный Фонд «Информационно-ресурсный центр», который расположен в крупном культурно-историческом центре Казахстана — городе Алматы поддерживаем и согласны на выдвижение номинации «Изготовление тонкого хлеба и культура его раздачи» для включения в Репрезентативный список нематериального культурного наследия человечества инициаторами из пяти стран — Азербайджана, Ирана, Казахстана, Кыргызстана и Турции.

Данная инициатива имеет серьезные основания для поддержки. Тонкий хлеб – это составная часть культуры, традиционного образа жизни и быта народов различных стран мира. Лаваш, катырма, юфта, калама и другие названия тонкого хлеба объединяет общность истории и культуры стран и народов мира.

Рекомендуемый к номинации элемент «Катырма» напрямую связан с технологиями изготовления и хранения хлебных продуктов в среде различных народов с древнейших времен до наших дней.

Члены нашей неправительственной организации также являются носителями знаний о тонком хлебе. Мы применяем эти знания в повседневном быту, во время торжеств и обрядов, связанных с поминанием усопших. Кроме того, мы заинтересованы в охране тонкого хлеба как культурно-исторического наследия разных народов, как части общечеловеческого достояния.

Просим ЮНЕСКО поддержать нашу инициативу.

Starting from my childhood days I, Atabayeva Farida Kamikyzy, practice the baking of flatbread - katyrma. Katyrma represents traditional cultural practice that was transmitted to us from our great ancestors. Our mothers and grandmothers taught us how to prepare flatbreads and today we often bake it in our families, on family gatherings as well as big festivals and celebrations. During the process of preparing it we share and enjoy fragrant scent, delicious and nutritious taste of katyrma together with our relatives, friends, neighbors and villagers.

In this regard, we fully support the initiative of Azerbaijan, Kazakhstan, Kyrgyzstan, Turkey and Iran to nominate "thin bread culture: katyrma, lavash, yufka, jupka" on the UNESCO Representative List of the ICH of Humanity and further popularize our heritage on international level.

#### Келісім хат

Біз «Қыз Жібек» клубының жас қыздары Әзербайжан, Иран, Қазақстан, Қырғызстан, Түркия атынын ұсынылып жатқан «Жұка нанды жасау және бөлісу мәдениеті: Лаваш, Қатырма, Жұпқа, Юфқа», номинациясын қолдайтынымыз туралы хабарлаймыз.

Әлем халықтарының тарихы мен мәдениетінің тамыры біртұтас. Бүгінгі әлемде жүріп жатқан жаһандану үдерістері дәстүрлі әдет-ғұрпымыздың сақталуына өзіндік әсерін тигізуде. Ал, біз, жастар ата-бабаларымыздан қалған дәстүрді сақтауға тырысудамыз. Біз үшін жұқа нанның *Қатырма* деп аталатын түрі өте маңызды. Оны жасаудың, өндірудің және сақтаудың жолдарын үлкен әже-аналарымыздан үйреніп, күнделікті жағдайда пайдалануға үйреніп жатырмыз. Болашақта бұл білімді бізде жас ұрпақтарға таратамыз деген ниеттеміз. Ертен біз де ана, келін, жеңге атанамыз, сондықтан неғұрылым дәстүрлі нан пісіру түрлерін игеру мақсатында *Қатырма туралы* білімімізді әрі қарай жалғастырсақ деген ниеттеміз.

## Addressed to The National Commission of the Republic of Kazakhstan for UNESCO and ISESCO

As young ladies and members of "Kyz Zhibek" club, we inform on our support to jointly nominate "Culture of preparing and sharing thin bread: Lavash, Katyrma, Jupka, Yufka" by Azerbaijan, Iran, Kazakhstan, Kyrgyzstan and Turkey.

Bearing in mind close interconnectedness of historic and cultural roots of world nations and modern trends of globalization, we would like to put our best efforts for the safeguarding and popularization of our ancestor's traditions and customs. The varieties of thin bread (especially katyrma) are very special for us. By learning how to prepare and store it from our mothers and grandmothers we learn semantics of thin bread culture and its application in our everyday life. We will share this knowledge with thin bread culture generation in the future. Therefore expanding our knowledge about the practice will help us when we will be mothers, daughters in law, and sisters in law to safeguard and popularize traditional thin bread in all its varieties.

#### Proposal letter

We, the residents of Besagash auyl (village), Talgar district, Almaty region, would like to express our consent and support for joint nomination of our ancient tradition of baking thin bread with the people of Azerbaijan, Turkey, Kazakhstan, Kyrgyzstan and Iran. Widespread among many nations this tradition was carefully transmitted to us from our ancestors over the centuries. Nowadays people still roll the dough and bake thin bread for Thursday and Friday prayers, when preparing farewell dinners for the relatives and friends leaving for a long journey as well as family gatherings and big celebrations.

Therefore, on behalf of my own name and the residents of my village, I would like to express our collective support for preparing joint multinational nomination "thin bread tradition – Lavash, Katyrma, Yufka, Jupka" and its inscription on the UNESCO Representative List of the Intangible Cultural Heritage of Humanity in the future.

Zhamkenova Abzal Citizen of Besagash village, Baker of Katyrma
