

## CALL FOR PROPOSALS

The UNESCO Living Heritage Entity is looking for a team of experts/evaluators to carry out a renewal evaluation of the International Information and Networking Centre for Intangible Cultural Heritage in the Asia-Pacific Region (ICHCAP), a UNESCO Category 2 Centre based in Jeonju, Republic of Korea.

Proposals should reach UNESCO (ICH-capacity@unesco.org) no later than **26 June 2024 (midnight, Paris time)**.

### Context

Category 2 institutes and centres under the auspices of UNESCO are a global network of institutions of excellence in the Organization's domains of competence. Given their expertise, these institutes and centres contribute to the implementation of UNESCO's priorities, programmes, and global development agendas during a defined period. They foster international and regional cooperation, research, knowledge production, policy advice, and capacity enhancement. Though independent of UNESCO, category 2 institutes and centres are a privileged partner of the Organization with access to international and intergovernmental bodies and networks, and may leverage UNESCO's international reach and convening powers. Category 2 institutes and centres under the auspices of UNESCO are an integral part of the Organization's Comprehensive Partnership Strategy (2019), with eight of the Centres specializing in intangible cultural heritage.<sup>1</sup>

The UNESCO Strategy for Category 2 Institutes and Centres under the auspices of UNESCO<sup>2</sup> provides that an agreement for the establishment of a category 2 institute or centre is for a defined time period, not exceeding eight years. The agreement may be renewed by the Director-General, with the approval of the Executive Board, in light of an evaluation of the activities of the institute/centre and of its contribution to the strategic programme objectives of the Organization and the aforementioned Strategy.

The 35th session of the General Conference, in its 35 C/Resolution 51, approved the establishment in the Republic of Korea of the International Information and Networking Centre for Intangible Cultural Heritage in the Asia-Pacific Region (hereafter, 'the Centre'). An agreement between the Government of the Republic of Korea and UNESCO was signed accordingly. Following the first evaluation undertaken in 2016, a new agreement was signed between UNESCO and the Government of the Republic of Korea for a period of six years (2019-2025). The Government of the Republic of Korea submitted a request for renewal of the agreement. To this end, an evaluation of the Centre will be carried out.

The objectives of the Centre are to:

- a) promote the UNESCO Convention for the Safeguarding of the Intangible Cultural Heritage and contribute to its implementation in the Asia-Pacific region;
- b) increase the participation of communities, groups and individuals in safeguarding ICH, and raise awareness of and ensure respect for ICH in the Asia-Pacific region;

<sup>2</sup> Available at <https://ich.unesco.org/doc/src/46612-EN.pdf>

- c) enhance the capacity for safeguarding ICH in the Asia-Pacific region through coordination and dissemination of information;
- d) foster regional and international cooperation for the safeguarding of ICH in the Asia-Pacific region.

The functions of the Centre are to:

- a) establish mechanisms to ensure effective sharing of information related to ICH safeguarding;
- b) promote ICH information by producing and publicizing on/offline ICH content to raise awareness about ICH safeguarding initiatives in the Asia-Pacific region;
- c) build, strengthen and maintain networks among concerned communities, groups and individual bearers of ICH, as well as relevant non-governmental organizations and civil society associations; and organize public events as appropriate;
- d) build, strengthen and maintain networks to exchange information and knowledge concerning the safeguarding of ICH, among relevant actors and institutions, (such as academic institutions, community museums and cultural centres, archives, art institutions, UNESCO category 2 centres, individual experts, etc) and organize public events as appropriate.

### **Purpose**

The main objectives of this evaluation are to assess the Centre's performance with respect to its objectives and functions (see above), and its contribution to UNESCO's Approved Programme and Budget (C/5), including global strategies and action plans as well as sectoral programme priorities. The conclusions of the renewal evaluation shall be submitted to the UNESCO Intersectoral Review Committee that will make the recommendation to the Director-General as to whether an agreement with the Centre should be renewed or not. Based on this recommendation, the UNESCO Executive Board will examine the renewal request, decide on the renewal or non-renewal of the designation of the Centre as a category 2 centre under the auspices of UNESCO and authorize the Director-General to conclude an agreement between UNESCO, the Government of the Republic of Korea, and the Centre.

The conclusions of the renewal evaluation shall be shared with the Government of the Republic of Korea and the Centre, and will be made available on the website of the 2003 Convention for the Safeguarding of the Intangible Cultural Heritage (<https://ich.unesco.org/en/category2>).
