# Global reflection meeting on the periodic reporting mechanisms of the 2003 Convention

*Item 2: Towards the single global submission system of periodic reports:  
calendar and milestones*

*Presentation by the Secretariat of the 2003 Convention, 28-30 April 2026*

# Global submission system of periodic reporting: main implications

Submission of **all periodic reports** by **all States**

30 June

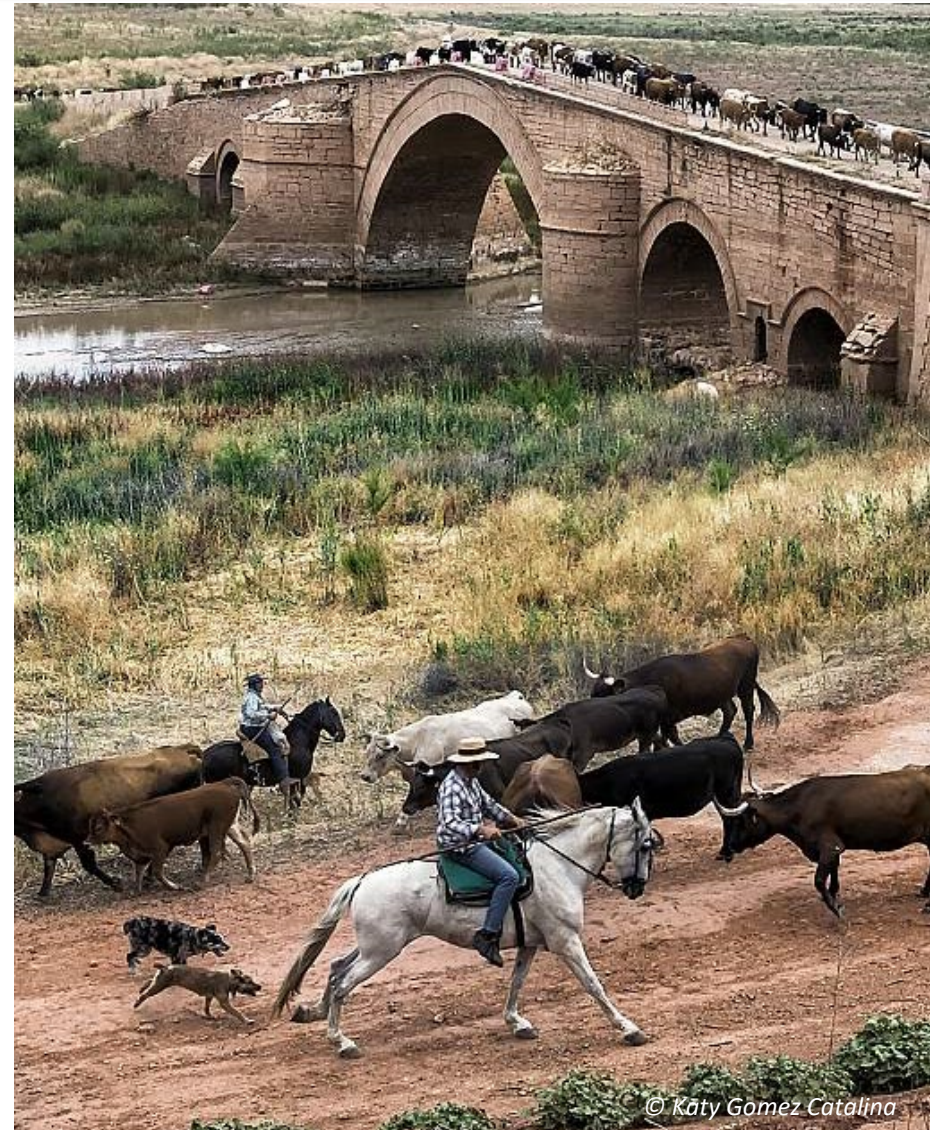

Transfer requests of elements **from the Urgent Safeguarding List to the Representative List**, alongside the **periodic report** on the relevant element inscribed on the Urgent Safeguarding List.

30 June instead of 15 December

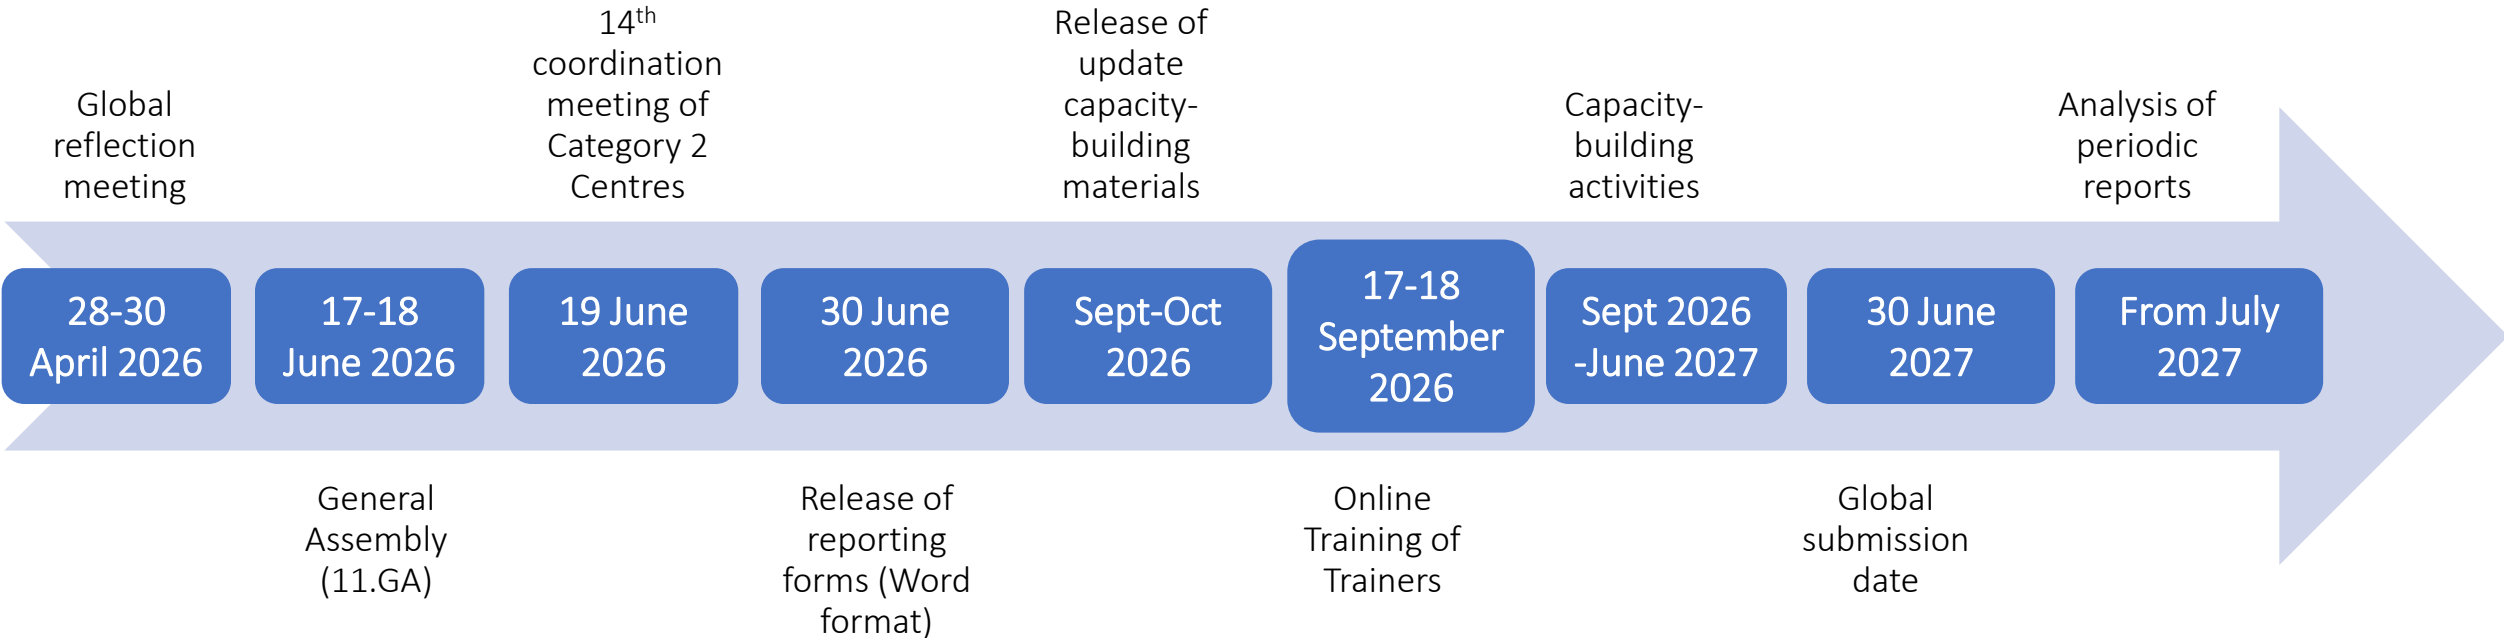

The transition to the single global submission system of periodic reporting **will not impact**:

- The **Register of Good Safeguarding Practices**.
- The transfer of elements from the **Representative List to the Urgent Safeguarding List**.
