The European Association of Folklore Festivals (EAFF) has been established in year 2007 in the ancient capital of Bulgaria – Veliko Tarnovo.

Its main purpose is to preserve, develop and make popular the folklore of the European nations by organizing festivals and using the modern television, computer and other information technologies.

The European Association of Folklore Festivals achieves its activities mainly through the festivals of the Musical Feasts “Euro Folk” and through the worldwide Internet Television “Euro FolkTV”.

The basic feature of the festivals from the Musical Feasts “Euro Folk” is the complete filming with professional TV equipment of all the performances together with making different audio and TV products.

At the Musical Feasts “Euro Folk” festivals that have been held so far 6,000 groups with more than 120 000 participants from 17 European countries have taken part.

The European Association of Folklore Festivals operates in cooperation with televisions from Bulgaria and Europe, with folklore ensembles, groups, municipalities, community centres, schools and other organizations of cultural activities.

As a result of these activities the EAFF has generated significant video and audio libraries, containing priceless records of traditional arts. The Association also supports an online television, transmitting constantly authentic folklore performances.

Additionally the EAFF serves as a contact point for its members - different folklore event organizers and arts performers and provides them a single point of contact through its website.

7. The organization’s experiences cooperating with communities, groups and intangible cultural heritage practitioners

The Committee will evaluate whether NGOs requesting accreditation ‘cooperate in a spirit of mutual respect with communities, groups and, where appropriate, individuals that create, maintain and transmit intangible cultural heritage’ (Criterion D). Please briefly describe such experiences here.

Not to exceed 350 words; do not attach additional information

Since its establishment, the EAFF activities for preserving and spreading the folklore arts have constantly increased. Thousands of folklore groups from different municipalities, community centers, cultural clubs, amateur art groups from all around Europe have been given the opportunity to present their performances and to be seen by the live audience at the festivals and to be recorded and broadcasted via television and Internet.

Significant part of the presented performances are unique authentic songs, dances and rituals, that have been kept unchanged for centuries and are exposing the values and the beliefs of our ancestors.
The EAFF have organized and participated as an official patron in a number of events – festivals with participants from different municipalities, supported by the Chairman of the Parliament, by Mayors and municipal councils, by NGO’s and the relevant groups from the community.

Support and appreciation of the work done by the founders of the EAFF are also supporting letters from UNESCO.

Dear Mr Nikolov,

The Director-General has asked me to reply to your letter of 2 June last, by which you invite her to participate in the opening of the “Euro Folk 2010” Festival being organised by the European Association of Folklore Festivals (EAFF) in Nessebar (Bulgaria) on 10 July 2010.

Much to her regret, the Director-General is unable to accept your invitation owing to her very busy schedule on those days. Nevertheless, we warmly thank you for your initiative as your activities are of greatest interest to UNESCO in view of the Organization’s active involvement in the promotion and safeguarding of the intangible cultural heritage. UNESCO highly appreciates and fully supports your project, designed to bring together hundreds of folk groups from 17 European countries, thus promoting their activities and helping preserve traditional folk arts for future generations.

The Organization also highly welcomes your focus on popularizing folk arts through the broadcasting of this year’s Festival in Bulgaria and internationally through the World Wide Internet television services, “Euro Folk” and “Rodina TV”.

I wish you every success in the up-coming Festival and look forward to viewing its broadcasted version.

Yours sincerely,

Francesco Bandarin
