

EXERCISE. MAPPING OF URBAN PLANNING INITIATIVES INTEGRATING LIVING HERITAGE SAFEGUARDING

Unit 3. Practical approach to safeguarding living heritage in urban contexts

GUIDELINES OF THE EXERCISE

- The objective of the exercise is to map urban planning initiatives in the cities of the project that integrate the identification or safeguarding of intangible cultural heritage.
- By urban initiative we refer to any action, project or urban planning programme.
- Each team must send an email with a list of these initiatives (minimum 3 per city), including a brief description (minimum 150 words) of each initiative, before the session on 28 March.
- These can be initiatives that are currently ongoing or that have been previously implemented.
